

## Helen Day Art Center

### Exposed 2014 Application Instructions\*

All applications must include:

1. Résumé
2. Project Proposal

Provide up to one page describing the work you would like to submit. This page can be either an image with text or exclusively text.

If the work is preexisting, please note on the image description sheet which image(s) you are proposing. Sculptors may submit proposals for up to two pieces. Please specify at the top of the page if you are applying for placement of a sculptural work, site -specific work, or to collaborate with a business. Please describe how the work will be securely and safely installed. Provide as many details about the work as possible.

3. Images

As many as 10 digital images of work, in jpeg format. Please number to match image description sheet. Images should be 700 x 700 pixels maximum if sending by email.

If you have video, please provide a link to view through Vimeo or a personal website.

If you are a writer, please provide 5 pages of material.

4. Image description sheet

Please provide a corresponding image description sheet for the work you submit. Make sure to note if the images are of completed work or are sketches of proposal specific to *Exposed*.

\*Writers: please submit a résumé, 5 pages of work samples, and one page with proposals for window-front text.

---

Send application materials by **January 27, 2014** to: [exposed@helenday.com](mailto:exposed@helenday.com). Digital files are preferred. Please contact HDAC prior to the deadline if you are unable submit digitally.

By submitting a proposal to HDAC for *Exposed 2014*, artist agrees to allow HDAC to use their material (text, images, biographical information, etc.) to promote the exhibition and Art Center activities.

Dedicated to providing support and opportunity for artists, there will be no application fee.
